University of Oxford Botanic Garden and Harcourt Arboretum Primary Teacher CPD days for 2011/12

Join us for our exciting new CPD programme designed to help you make the most of outdoor spaces for learning outside the classroom through the seasons. We have 2 remaining courses on this programme.

Our action-packed, hands-on courses will leave you brimming with confidence and ideas for maximising use of your school grounds and local area.

Each day will include basic botany and ID skills, relevant risk assessment information for every habitat visited and practical information for greening school grounds and learning outside the classroom.

For further information on any of these courses, please contact Lynn Daley, Education and Outreach Officer at Harcourt Arboretum. E-mail: lynn.daley@obg.ox.ac.uk Tel: 01865 343501

Course Programme:

Title	Date	Venue	Course description...
Spring 	Fri 16 th Mar 2012	Harcourt Arboretum, Nuneham Courtenay	<u>Spring out of the classroom.</u> Find out how to track plant growth in spring, how to plant your own wildlife garden in the school grounds. Get to grips with plant identification so you can stay one step ahead and plan outdoor sessions before flowers appear. Look at life cycles in context while learning top tips for maximising the use of woodland, grassland and pond habitats to teach a range of subjects.
Summer 	Fri 4 th May 2012	Harcourt Arboretum, Nuneham Courtenay	<u>In the Summertime.</u> Discover practical ideas for teaching parts of a flowers and pollination in the great outdoors. Explore the variation and adaptations in plants and their flowers. Look at life cycles in context. Learn plant and animal sampling techniques for a variety of habitats.
